

SEDATION APPOINTMENT REQUIREMENTS

PHYSICAL: All sedation physicals must be reviewed by the prior to your child's appointment. **If the physical form is not received in the office at least 48 hours prior to your child's scheduled appointment, we will not sedate your child.**

CONFIRMATION: You **must** confirm your child's appointment. If you do not call to confirm with a front desk staff member 48 hours prior to your child's appointment, it will automatically be cancelled and your child will not be rescheduled. If you are not available to call the office to confirm your appointment, you may send a confirmation email to our office. Our email address is geshaypedo@gmail.com. Please put "Sedation Appoint" in the subject line. **Again, if the appointment is not confirmed 48 hours in advance, it will automatically be cancelled. No exceptions.**

I have read the above requirements and understand that if my child's physical form is not reviewed by the doctor and the appointment confirmed at least 48 hours in advance, his/her sedation appointment will be cancelled. I further understand that my child will not be scheduled for any future appointments.
